

# 95 Percent of Governments are the MKULTRA/Artichoke Religious Cults

95% of Governments are run by Religious Cults, The Jewish Crime Network, The Italian Mafia, Freemasons, Communists, Zionists, every other person who is the smoke and mirror for the Slave Goyim passed as slaves after 1666 Cestui Que Vie and the Act of 1871 where we were sold off to foreign International Bankers, The USA is a Coporation and Rights are Imaginary, we are only there to be slaves to Vatican Roman Maritime/Admiralty Law of the Sea and are all Dead at Sea under the law of the Zionist land of Pure Smoke & Mirror.

43.5 Hz, 50 Hz, 60 Hz as AC Electrical still causes cancer in glucose lab rats and crows on power lines in places like Seattle and LA. The Lilly Wave was implemented by the DHS.

911 was a Mossad Operation dick joke inside job and the Iraqi War efforts were pointless, yet these Freemasonic Government Goons are all just the same as the Liberal and Conservative Left/Right Paradigm puppets, the Zionists Proported the three words "Liberty, Fraternity, Equality" to give us false bull shit hope and a new Libertarian Party next fake Republicans and Democrats that mean shit to literally no one. The Zionist MSM is an Archon of BS and simply listening to 528 Hz Sine Wave is even better:

speaker-test -t sine -f 528 -l 1000000000 in shitty GNU / Linux and see that compare to any Zionist Shitty Television. Jews made Jewtooth , so we could just rfkill block bluetooth.....

So the Frequency has to be 528 Hz, not 43.5 or 60 or 50 or 126.22 or 417 and 418 is OFF.....

Blue Light, WiFi, 5G, EME, AM Noise, SWLWCW Noise Disables Ones Third Eye (ESP) ....

The Pineal Gland Symbol is used by Zionist Jews AKA West of Europe to Control US....

And we know that 7.831 sine wave is more steady on Megnetobiology PerSey at 1.0 Amplitude

The Schuman Earth Resonance as Sound Sine Wave is not heard by Human Ears unless ESP...

So 7.831 sinewave 1.0 AMP @ 32 kbps 48000 44100 sample as MPEG3 57 minutes binarycopy with cat 1 1 1 1 1 1 1 >>new.mp3 or in back-doored Windows with COPY / B which is crap.

So what makes 43.5 Hz or 126.22 Hz any better than 50/60 Hz Power Lines that caused cancer in Vietnamese Human Experimentees and MKULTRA CIA Slaves in Cloning Centers "POW MIA" is just another lame slogan of false hope by this faggot Zersetzung Government to give you the illusion of choice, All things are for Zionism and non-jews, Gentiles, Goyim are the worthless fucking cattle that still fucking believe in the Martian God Myth and do not realize that you are a Telepathic Ghost when you fucking DIE you Umop Fucking Queers and Reagan Youth Yuppies as well as the rest of the R/D letter after the name shit eating voters that did not Celebrate Reagan and Bush Deaths and realize that Hungary is Russias bitch and all the Jews want to do is sell more Porn and Computer Malware plus controll all Press/Media/Internet (The CIA World Wide Wiretap) of InQTel and the One World Order Coporate Banking Cartel, People pick sides like ignorant Goyim and wonder why they are fucked everyday of their lives and still come to the notion that this is an incoherent retarded run on sentence and I am barely fucking Trying.....

So we get not 126.22 half of 60 or 43.5/50 which still gives the glucose rats cancer as well as the dumb gooks of the USSR Psychiatric system, The Gooks were the only scum, not those 100M you killed and you always blame “the-others” when you spread that 6M Holohoax like Margerin on a Fucking Kike Ass Umop in the Ass Nigger Homo Bagel. #giveajewabagel

The Freemason Symbol is a Zionist Smoke and Mirror Screen and is simply a deprecated piece, I mean the Founding Fathers did have Slave Owners so you want to know what full of shit is right:

Distractions are Tool of the Zionists and Libertarian, Republican, Democrat give false hope to them, we all see some guy in Columbia or London or Israel owns all the fucking land anyways. Same with Swissyland or Rome with the Roman Vatican Martime Law System.

“Liberty, Equality, Fraternity” = There PSYOP Motto of Fucking False Hope LOL

You are in a human trafficking program 5x5 miles of staight up mobbing too.

Then we have random fringes that go from no place to no where because the Zionists and District of Columbia have all the property and honeypot all hotels and Houses old 1930 and new 2003 houses that is why they all seem haunted or have random weird bs in them.

These inbreds in the Barios or Ghettos are related to the Globalists, Zionists, Catholics and every other inbred Mormon Buck Hillbilly, Illiterate, Drunken peasant retarded person on earth just as 1% of the surplus population has “Profound Mental Retardation” the 2% are Jewish, (Figures?).... You can see by now hillbilly Bush, Reagan, FDR, Obama, Nixon, Quayle... And Bill Clinton and his bimbo minions are Related to the William of Orange....
